21st November, 2017

Notice: 52 / 17-18

To: Parents/Guardians of Primary 5 and Primary 6 pupils,

International Competitions and Assessments for Schools (ICAS 2018)

Pupils of Primary 5 and Primary 6 are invited to join the **International Competitions and Assessments for Schools (ICAS 2018)** organized by the Educational Assessment Australia of the University of New South Wales in Sydney, Australia. The **International Competitions and Assessments for Schools (ICAS)** aims to challenge students and reward excellence of achievement. The Assessments provide an opportunity for pupils to gain measure of their own achievement in an external assessment situation. They can also be used to monitor individual progress in a range of subject-related skills. A **detailed report** reflecting student's relative potential, strengths and weaknesses and a **certificate** would be awarded to each participant.

The English assessment covers a wide range of skills in comprehension across both literary and factual text types. Other areas of assessment include interpreting a range of genres and text types, language skills, spelling and punctuation. The paper is designed to cater for the language needs and abilities of those students for whom English is a second or foreign language. The English assessment Mathematics in English and Writing Assessment are also available for pupils of Primary 5 and 6.

The **assessment** will be held on the **7th March, 2018** (Wednesday) to **21st March, 2018** (Wednesday). An entry fee of **HK\$55.00** will be charged for each subject but **HK\$140.00** for writing by the University. If you want to enroll your child for the assessment, please complete the **reply slip** and return it to the class teacher on or **before 27th November, 2017**. Late application will not be entertained.

Thank you for your attention.

Ms. CHUI Sau-man
(Headmistress)

Seize the Day 🍀 Seize the Day 🍀 Seize the Day 🍀 Seize the Day 🍀 Seize the Day

Our Vision: Develop fully pupils' potentials
Equip them with life-long learning skills
Help them integrate into local community
Develop a global outlook

Our Mission: It is our mission to provide a positive learning environment that enhances each child's opportunity to learn and to develop through educational programme which recognizes the need for growth in moral, intellectual, physical, social and athletic skills, knowledge and attitude.
